HITS 2017

Welcome to HITS 2017, brought to you by HITS Training & Consulting. Please take a few moments to read the following information.

Prohibition Against Live Ammunition, Ordinance, Devices, Canines

Any equipment on display during the exhibition portion of HITS 2017, including but not limited to, firearms, diversionary devices, aerosol-based weapons and ammunition, must not contain any live ammunition at any time. **THERE ARE NO EXCEPTIONS.** Staff from HITS Training & Consulting will be monitoring the exhibit hall to enforce this prohibition. Any violations will result in the closing of the violating exhibit, immediate removal of the exhibit personnel from the exhibit hall, and may result in the confiscation of the equipment in violation. All firearms displayed or taken into the exhibit center, including any item designed for or capable of launching a projectile must be rendered non-functional either by installing a non-removable trigger lock or by removing the firing pin. All ammunition, munitions, and pyrotechnic products and chemical agent devices must be inert or dummy replicas. No Canines will be permitted in the vendor hall. Strict adherence to these guidelines will be enforced.
