

*“In every walk of life, the Experts are looked to for their opinions.
In our world, those Experts are always found at HITS”*

HITS- **H**andler **I**nstruction and **T**raining **S**eminar – For more than a decade, HITS has been the largest K-9 training conference in world. HITS has revolutionized the way the law enforcement K-9 industry receives it’s training. We’ve continued to bring scores of training topics together in a way that works for thousands of handlers from around the globe. The experts in each field come to HITS with fresh ideas about training and deploying your police dog. HITS will have more than 100 vendor booths to shop and browse through each day. We’re committed to bringing our fellow handlers the same training and the top of the line training equipment that we want for ourselves. When you come to HITS, you’ve committed yourself to learning more from the Experts who know police dogs. After all, it’s who we are and it’s what we do. You’ve been there, we’ve been there too. HITS training, for K-9 handlers, by K-9 handlers.
